**support a reduced fare pass for low income individuals and families**

\*84 Total Respondents

### Improved Equity

"[I would be] able to give my kids the same opportunity as other children."

- 31 year old African American

### Increased Disposable Income

"A reduced monthly bus pass will allow me to save additional money to be used for food, rent, and utilities."

- 27 year old African American

### Confidence in getting to School or Work

"I would not have to worry about how I'm going to get my kids to school each day and worry if I'll have enough to get to work."

- 23 year old African American

### Improved Connectedness

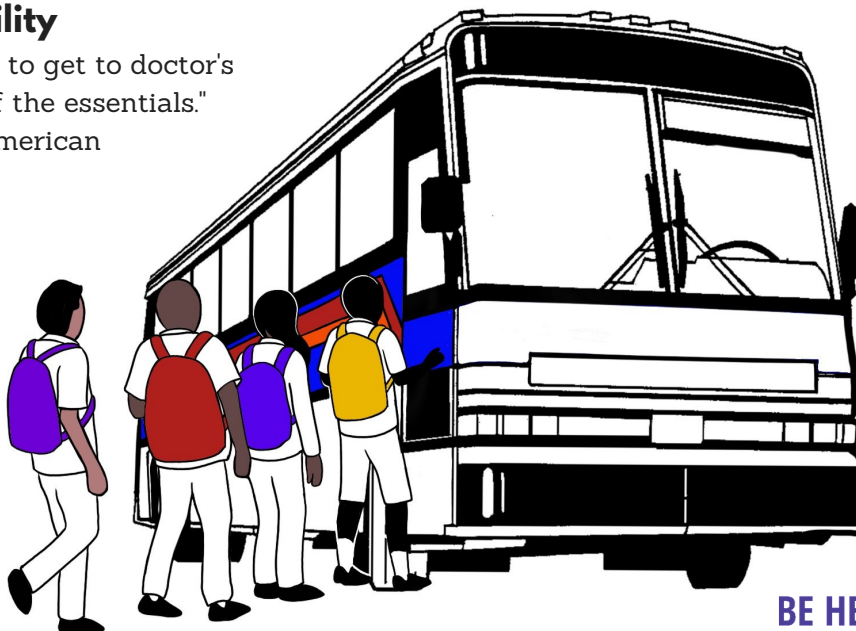

"[A reduced fare pass] would allow our family to have access to school, work, and family events. The price can cause us to make very difficult decisions about what we do and how we get there as a family."

- 41 year old African American

### Improved Mobility

"Folks in my family would be able to get to doctor's appointments, court, work, all of the essentials."

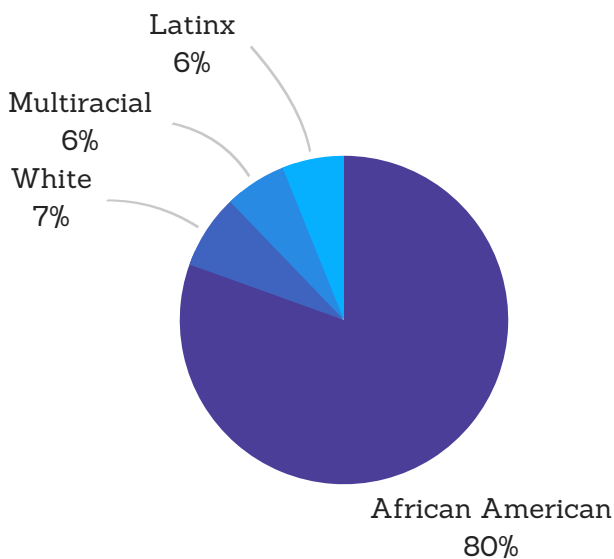

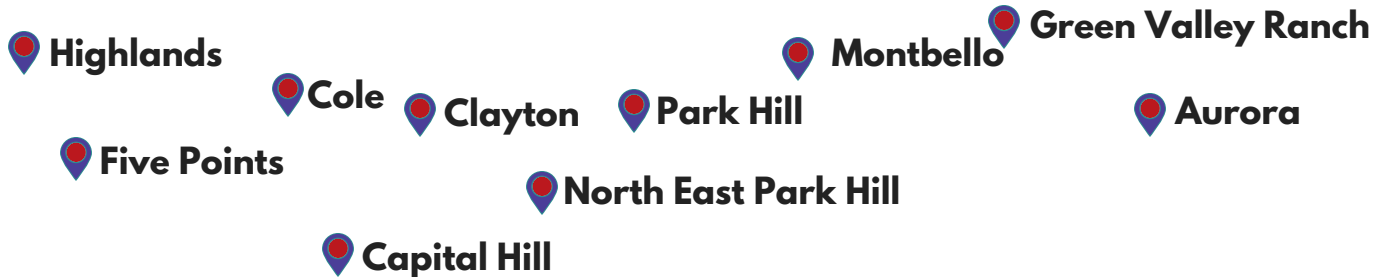

- 45 year old African American
